SUPERSEDES: M11FR-PPKW00508	FORM NO: M11FR-PPKW00706

STANDARD WARRANTY FOR POOLPAK SWHP UNITS

PoolPak Technologies Corporation warrants all equipment and materials manufactured by PoolPak Technologies Corporation to be free of manufacturing defects in material and workmanship for eighteen (18) months from date of shipment or one (1) year from date of initial startup, whichever shall occur first when installed, operated and maintained in accordance with instructions of PoolPak Technologies Corporation. This warranty includes the cost of labor to repair or replace any defective parts or components. Parts and material covered under warranty will be provided F.O.B. PoolPak Technologies Corporation. **No reimbursement will be made for making field repairs unless specifically approved by PoolPak Technologies Corporation in writing beforehand.**

PoolPak Technologies Corporation must receive a copy of the "PoolPak Startup Checklist" completed by a factory authorized PoolPak Service Technician within one week of initial startup.

Additionally, PoolPak Technologies Corporation warrants the following major components for sixty-six (66) months from shipment or sixty (60) months from date of initial startup, whichever occurs first:

Compressor Contactor	Pool Water Condenser Solenoid Valve and Coil
Return Fan Motor	Liquid Expansion Valve and Coil
Return Fan Motor Starter	Air Re-Heat Condenser Solenoid Valve and Coil
Supply Fan Motor	A/C Solenoid Valve and Coil
Supply Fan Motor Starter	Blower Wheel and Housing

Additionally, PoolPak Technologies Corporation warrants against corrosion the all-copper air-side heat exchanger coils for one hundred twenty six (126) months from date of shipment or one hundred twenty (120) months from initial startup, whichever occurs first. This warranty is contingent upon pool chemical levels adhering to the National Spa and Pool Institute standards. The combined chlorine must be measured and recorded daily and supplied to PoolPak Technologies Corporation along with the request for any replacement evaporator or condenser coil or any other airside component.

PoolPak Technologies Corporation offers an optional extended warranty on the unit compressors for a period of sixty-six (66) months from shipment or sixty (60) months from date of initial startup, whichever occurs first. This warranty must be purchased at the time of sale and provides a replacement or reimbursement for a replacement compressor with proof of purchase. A copy of the PoolPak Annual Maintenance Logsheet completed by a qualified refrigeration service technician must accompany any request for a replacement compressor.

PoolPak Technologies Corporation offers an optional second year labor warranty that must be purchased at the time of sale.

PoolPak Technologies Corporation offers an optional Remote Access Package that includes the AutoGuard Service. During the first year of operation, the PoolPak ECCIII will automatically generate an email alert during any alarm condition. The Remote Access Package must be purchased at the time of sale. A dedicated phone line or ethernet connection is required for the AutoGuard Service.

On equipment or materials furnished by PoolPak Technologies Corporation but manufactured by others, PoolPak Technologies Corporation will extend the same warranty it receives from the manufacturer.

No liability shall be attached to PoolPak Technologies Corporation until the equipment and materials provided by PoolPak Technologies Corporation have been paid for and then said liability shall be limited to the cost of repairing or replacing said defective product or component as delineated above. PoolPak Technologies Corporation shall not be liable for replacement of products which have become defective as a result of unauthorized opening of the refrigeration circuit, improper wiring, electrical supply characteristics, poor maintenance, transportation, misuse, abuse, alteration or misapplication of the PoolPak unit. PoolPak Technologies Corporation shall not in any event be liable for any consequential damages due to or resulting from design, construction, service or operation of the warranted equipment or for any other cause whatsoever.

THE WARRANTY AND LIABILITY SET FORTH ABOVE ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, EXPRESSED OR IMPLIED, IN LAW OR IN FACT, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE WARRANTIES CONTAINED HEREIN SET FORTH THE BUYER'S SOLE AND EXCLUSIVE REMEDY IN THE EVENT OF A DEFECT IN WORKMANSHIP OR MATERIALS.
